In Mason City, Iowa., on or about July or August of 2005, Defendant Randy Rodriguez filed fraudulent court documents in Cerro Gordo County, Iowa court that falsely claimed that the Plaintiff's had defaulted on purchased property (2), one of which was (unbeknowst to plaintiff's) owned by defendant Roseanne Kempf.

Plaintiff Robles attempted to file a federal lawsuit for relief but was given bogus instructions on ~~how~~ how to file. Senator Charles Grassley's Iowa office was contacted about the bogus filing instructions and the Senator's representative Mimi Sanford contacted the same court and spoke to the same person Plaintiff Robles spoke with and Ms. Sanford was given the exact same instructions. Based on the bogus instructions the federal court in Iowa dismissed the claim for improper filing. Defendant United States was made aware of judicial obstruction through the F.B.I. in Omaha, Nebraska and the Justice Department in Washington, D.C.

Witness Mimi Sanford was ADVISED by Deputy law clerk HAGAN of the 8th CIRCUIT COURT OF APPEALS in Missouri (defendant) that she was under no obligation to provide Mr. Robles an Affidavit attesting to the unlawful conduct of the Federal Court in Iowa. On November 19, 2005, the Plaintiff's were forcibly removed from their property by an excessive use of force (20-30 officers including SWAT) and forced to place their property in storage. On April 22, 2006, Plaintiff Gabriel Robles returning home from work was (without cause) followed and pulled over by two Bates City police officers near his ~~XXXX~~ his and Plaintiff Bonnie Robles' home.

The plaintiff's were told they were being held for extradition to Iowa on felony brandishing a weapon warrants. The Plaintiff's were released only after Gabriel Robles was allowed to visit the Lafayette County Jail law ~~XXXXXXXXXX~~ library and affirmed that he and Bonnie Vaughn (before ~~XXXXXXXXXX~~ marriage) were arrested and held contrary to the Constitution and the law.

STATEMENT OF CLAIMS CIVIL COMPLAINT

During the incarceration of the Plaintiff's their storage rental went unpaid causing the Plaintiff's to lose all their personal property ~~■~~ (including most of the evidence which would have proven their facts) and some property in Lafayette County, Missouri, including and especially their cat J. (Orenthal James Robles) aka OJ. Plaintiff Gabriel Robles has had extensive contact with the courts based on the theory the racial and political make-up of the United States Judicial system is based ~~XXXXXXXXXXXXXXXXXXXX~~ ~~XXXXXX~~ (can't afford correcting tape!) largely on financial gains.

Also, based on population studies, our Congress does not represent African-Americans or Mexican-Americans as well as Affirmative Action and Equal Opportunity agencies of our government (defendant) propagandize in the media. This type of "smoke and mirrors" government and judicial system censored by the media of this country has led to the treasonous acts of illegal war and Katrina disasters.

The financial burden placed on the Plaintiff's in this filing attests to the theory of Plaintiff's Gabriel and Bonnie Robles.

in Cerro Gordo County Iowa in a courtroom in which Plaintiff Robles was subjected to verbal abuse which would have provoked most people to violence.

These acts of conspiracy "under color of law" were joined into with malice aforesaid "under color of law" by Missouri judicial officials after learning of the circumstances of the arrest and detention of the Plaintiff's on April 22, 2006.

Currently the Plaintiff's believe Gabriel's recent unemployment and his problems in obtaining steady permanent employment is connected to actions of the Defendants which will become the subject of another forthcoming lawsuit ~~XXXXX~~ by the Plaintiff's.

The Plaintiff's have exhausted their "administrative" avenues of recourse and remain poverty stricken and one step away from homelessness due to the actions ~~XX~~ of the Defendants and the inaction and obstruction of this very Court.

The Plaintiff's are well aware of the ramifications of their claim, impeachment of U.S. Supreme Court Justices, termination of federal officials and court personnel and most likely imprisonment for many; but when you weigh that on the scales of justice against citizens lives in the Iraq war and victims of Katrina there is no doubt that a jury of the Plaintiff's peers will indeed find for the Plaintiff's in spite of the civil servants that believe they are above the law.

The Plaintiff's have endured two death threats coordinated and carried out by their*employee's (officers) at gunpoint and Plaintiff Robles was ~~XXXXXX~~ threatened numerous times with bodily harm and lynching while in custody and Plaintiff Bonnie Robles was challenged to fistfights several times. The more time that passes as this case/"redtaped" the longer the Plaintiff's fear for their lives.
